SURGE: *A 3-Week Series About Discovering, Developing, and Using Your Talents*

SERIES OVERVIEW: Every follower of Jesus has spiritual gifts, but young teenagers often struggle to identify how they've been gifted—and they sometimes compare their own gifts and talents against the people around them. This series will draw their attention to the unique ways God has created them and will encourage them to discover, develop, and use their spiritual gifts to serve people and point them to Jesus.

SERIES OVERVIEW: What is “the Gospel”? Students may have an understanding that they’re supposed to talk about Jesus, but do they know why or even how? This three-week series will teach from 1 Peter 3:15 and will help students understand that sharing their faith isn’t as complicated or scary as they may have thought. This series will help students understand that Jesus is a game-changer for everyone who accepts His gift of grace. And when you’ve got game-changing news, you can’t help but share it!

TIP OF THE MONTH

"So, what's your story?" How often do you hear this question in ministry? Everyone loves an encouraging story about how you came to be a volunteer, or what drew you to church. Depending on when you're sharing your story, you may want to have a plan for when this burning question comes up. Here's how you can prepare for sharing your story with others . . .

RESOURCE OF THE MONTH
