# TABLE TALK

**Imagine if you had to live on the street.  
How would that make you feel?**

**Find a blanket and wrap it around yourself. Pull it as tight as you can. As you do this, think about children all around the world who are forced to live on the street and are often scared. Spend some time asking God to comfort them and to keep them safe. Also spend some time thanking God for giving you a safe, warm house to live in.**
