

WHAT IS A REFUGEE?

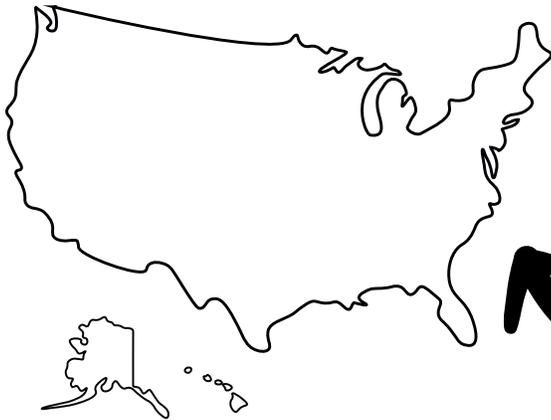

A refugee is a person that is forced to leave their country because it is not safe for their family to live there.

There are more than **35 MILLION** refugees in the world!

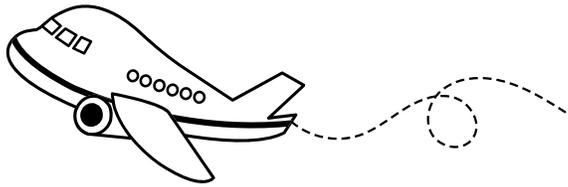

Some refugees live in a refugee camp, but most refugees are able to live in an apartment or house in the city.

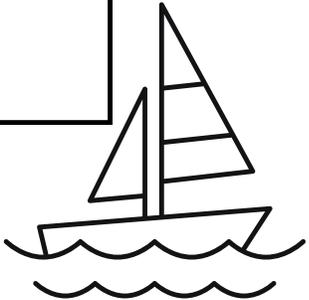

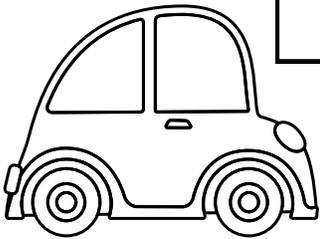

Over 500,000 refugees live right here in the United States!

Some refugees travel in a boat, and some travel in an airplane or a car.

HOW CAN YOU PRAY?

Take a “prayer walk” around your house. In each room, find something to thank God for providing. Then, take a moment to pray for refugees who were forced to move and are missing their homes.
