family TABLE TALK

**Have you ever gotten sick or hurt yourself?
How did that make you feel?**

Most street children do not have anyone to take care of them when they are sick or when they hurt themselves.

Grab some paper and some pens or markers. Draw or write a thank you note to the people that take care of you when you are sick or hurt yourself. Then spend time thanking God for the people He has given you, and also ask Him to heal street children around the world who are alone even when they are sick or hurt.
