

WHO ARE THE HIMBA PEOPLE ?

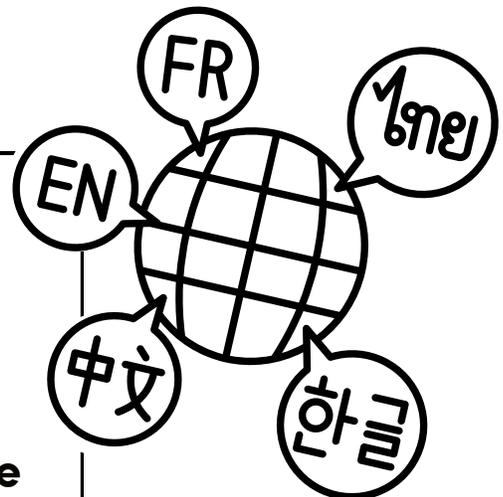

The Himba people are a tribal people group in Africa.

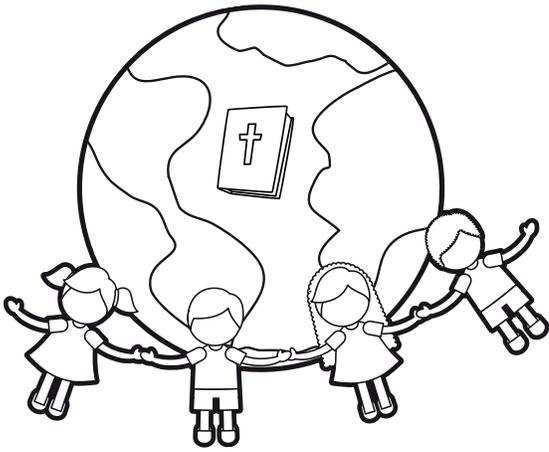

The Himba people do not have the Bible in their language.

The Himba people are not the only people without access to the Bible.

There are more than 99.8 MILLION people in the world that do not have the Bible in their language.

**This is why Bible translation is
so important!**

**God desires for everyone to
have access to His Word.**

WHAT IS BIBLE TRANSLATION?

Bible translation means writing or translating God's Word in a language that people can understand. Bible translation is a GIFT!

Imagine if we only had the Bible in Chinese. It would be really hard to read and understand if you do not know Chinese. Praise Jesus we do not have to learn Chinese to read His Word! God has given us the gift of having His Word translated into English for us.

HOW CAN YOU PRAY?

Grab your Bible and read your favorite verse. Then, spend some time thanking God for giving you His Word in your language. Also pray that His Word would be translated into other languages so that the rest of the world may know Him through His Word.
