

# HOW YOU CAN *pray*

**Pray for God to raise up prayer and financial partners for Bible translation work around the world.**

**Pray for the Holy Spirit to ready the hearts of the Himba people to receive His Word in their heart language.**

**Pray for protection over those traveling to remote and dangerous areas where believers face persecution.**

**Pray for God to raise up more bold workers to share the gospel of Jesus with the Himba people.**

# *family* TABLE TALK

**What does the Bible mean to you?  
How does it influence your life?**

**Draw or paint a picture, write a story or a poem, or even write out your favorite Bible verse to show what the Bible means to you. As you think about what the Bible means to you, thank God that you are able to have the Bible in your language. Then pray for the people around the world who are still waiting for even one word of the Bible in their language.**
