

# HOW YOU CAN *pray*

- ▶ Ask God to comfort refugees who have experienced war and violence.
- ▶ Pray that God would continue to open doors for Kirstin to share His gospel story with refugees.
- ▶ Pray that refugees across the world would find their hope and refuge in Jesus.
- ▶ Pray that seeds will continue to be planted and that Kirstin would be able to see the fruit of her labor.

# *family* TABLE TALK

**What does home mean to you?  
How does your home make you feel?**

**Go outside and find a small rock. Clean it off and use a marker to draw two eyes and a smile. Place your pet prayer rock on your pillow. Before you fall asleep, hold your rock in your hand and say a prayer for refugees across the world. When you wake up, place your rock back on your bed to remind you to pray before you go to sleep again.**
