Ministry Update!

Hey friends! We've updated the name of our Senior Adult Ministry to 55+ Ministry to more clearly say, "this is for you." Our desire is to remove any confusion and warmly invite every adult in this season of life into a community where they can belong and keep moving forward in their faith.

This stage isn't about slowing down, it's about continuing to faithfully follow Jesus. God's desire is that we are still growing, still serving, and still bearing fruit (Ps 92:14).

55+ Ministry exists to equip and encourage adults 55 and older to abide in Christ, invest in others, and stay engaged in His mission. There's a place for you here, and we'd love to help you take your next step.
