

# HOW TO

# *pray*

Pray for the strength and perseverance of underground church leaders.

Ask God to continue to strengthen and bless George and Abeer's marriage, using it as a witness for His gospel.

Pray that God would protect persecuted Christians who are in hiding from family and authorities trying to harm them.

Pray that George and Abeer would daily be filled with joy from the Lord even in the midst of hard situations.

*family*

Jesus,  
Thank you  
for George  
and Abeer.

## TABLE TALK

**Have you ever experienced  
a difficult situation?  
How did it make you feel?**

**Set up a prayer wall. Draw or print out a world map and place it somewhere you can see it everyday. Then, get creative. Use sticky notes or taped pieces of paper to add your written prayers for George and Abeer and persecuted Christians around the world to the map. You can also add stickers, Bible verses, and more!**
