

## DECEASED VETERAN

To: Family and Friends of Deceased Veterans who were members of Silverdale Baptist Church.

We are thankful for the service and sacrifices that were made by all veterans, both living and deceased, and their contribution to making our country safe!

We are seeking information about deceased veterans that were members of Silverdale Baptist Church at one time to help us honor their military service. It is important that their experiences and stories during their military service be preserved and shared not only with their family but also with friends and acquaintances, as well as future generations.

Please take one of these brochures, add the veteran's information, include a photo during their military service and return to the SMB or church office. The photo will be scanned and returned to you.

You may be wondering how this information will be used. The information from the registry has already been a vital part in the veteran's recognition held at the July meetings in the past few years. This information will also be available to church leaders – you know how Bro. Tony likes a good story! So be aware this information may be shared with others.

There is a list of questions attached. These questions are designed for living veterans but may help you decide what you want to share. Participation is voluntary; feel free to share as much or as little as you feel led.

Thanks in advance for your participation. Please return the completed forms no later than the June 55+ Ministry meeting on June 16<sup>th</sup>. If you have any questions, please contract me at (423) 802-4941.
