**Imagine that you had to worship Jesus in secret.
How would that make you feel?**

Use an old shoe box, Legos, or another item in your home to make a secret house church. Be sure to give it a window and a door. Also make a miniature Bible and create a place to hide it inside your house church. Use your miniature secret house church as a reminder to pray for persecuted Christians across the world that are forced to worship Jesus in secret.
