

Moon Bounce Appendix and Waiver

for on-site rentals, as part of Facilities Rental Agreement

A. RENTER agrees to adhere to capacity limits and recommended ages for each moon bounce as listed below.

Moon Bounces, Capacity Limits and Recommended Ages:

Moon Bounces	Capacity Limits	Recommended Ages
Magic Castle Bounce - large square (L)	Up to 8 ppl, 1200 lb weight limit	Grades 3-6
Magic Castle Combo - double slide (M)	Up to 5 ppl, 1000 lb weight limit	Grades 1 & 2
Ultra Commercial Combo - single slide (S)	Up to 3 ppl, 700 lb weight limit	Ages 4, 5 & Grade K

B. RENTER agrees to set up, inflate and power moon bounce(s) according to the set-up specifications for indoor/outdoor locations described below to prevent damages, power interruptions and injuries. If RENTER is unfamiliar with moon bounce set-up and operation, a tutorial may be required at the OWNER'S discretion prior to the event. All equipment malfunctions and damages are to be reported to OWNER immediately for subsequent investigation and repair. RENTER agrees to immediately turn off and deflate any moon bounce that is malfunctioning or damaged to prevent further issues.

Indoor Set-Up Specifications and Locations:

AUDITORIUM	Blowers (blower cords reach outlets, no extension cords needed)	Indoor Set-Up Locations (when facing auditorium stage; be mindful of ceiling heights!) / Outlets
Magic Castle Bounce - large square (L)	12 amp blower	Center of auditorium / outlet on front wall to right or left of stage, <u>not</u> on stage
Magic Castle Combo - double slide (M)	12 amp blower	Right side of auditorium, near cafe / outlet on left of double doors leading to cafe
Ultra Commercial Combo - single slide (S)	8 amp blower	Left side of auditorium, near kids hallway / outlet between sets of double doors leading to kids wing

Outdoor Set-Up Specifications and Locations:

LAWN	Blowers / Extension Cords	Outdoor Set-Up Locations (when looking out onto lawn from patio) / Outlets (can be changed up, but NEVER more than one moon bounce/extension cord on one outlet!)
Magic Castle Bounce - large square (L)	12 amp blower / 12 gauge cord!!	Left lawn; extension cord to outdoor outlet on far left of patio doors (towards shed)
Magic Castle Combo - double slide (M)	12 amp blower / 12 gauge	Right lawn; extension cord to outdoor outlet on far right of patio doors, near patio furniture
Ultra Commercial Combo - single slide (S)	8 amp blower / 12, 14 or 16 gauge	Middle lawn; extension cord to outdoor outlet closest to patio doors

C. RENTER agrees to adhere to the following additional terms of use:

1. All minors will be supervised while using the moon bounce.
2. In addition to the capacity limits and age recommendations above, rules include:
 - No flips or cartwheels
 - No hand holding while bouncing
 - No eating or drinking in the moon bounce(s)
 - No eye/sunglasses, loose jewelry, sharp objects, or shoes
 - No rough play such as pushing, shoving, kicking, bodily contact, dropkicks, etc.
 - No child should play if they have any existing medical conditions
 - No playing on the front step
 - No playing, climbing or pulling on the walls or safety enclosures
 - No standing/walking on the slide platform
 - No children near the blower(s)/extension cord(s)
 - Read and follow all the rules that are printed directly on the moon bounce(s)
 - Follow all the rules laid out in the Safety Precautions of the manufacturer's [Blast Zone Instruction Manual & Safety Guide](#)

D. RENTER agrees to pay for any repair or replacement costs that are deemed by OWNER to be a direct result of damages that occurred during RENTER'S equipment use.

E. RENTER agrees to have all parents/guardians of minor participants sign the attached waiver form and to have those waiver forms available for inspection by OWNER if and when requested.
