

Week of Prayer

PRAYER PROMPTS

for countries at war

Israel and Palestine

PRAY FOR:

- end of war and a peace process to begin
- the future of disputed territories
- the seemingly irreconcilable convictions to be melted by the love of Jesus
- the hostages to be returned safely (on both sides)
- healing and comfort for those who lost loved ones or are wounded (on both sides)
- surrounding nations and world powers to act wisely and not contribute to the conflict
- both sides to find true reconciliation and Shalom through Jesus the Messiah

Russia and Ukraine

PRAY FOR:

- peace and stability to be restored quickly in Ukraine and Russia
- shelter and supplies for displaced children and their families
- the reunification of families who fled Ukraine with their loved ones who stayed to fight
- those who mourn (on both sides)
- wisdom and discernment for decision-makers to prioritize the good of the people they represent
- the churches in Ukraine and Russia to seek unity across the divide
- the soldiers and their families (on both sides)
- strength for missionaries and Christian ministries who suffer from compassion fatigue and physical exhaustion

LORD, may your power and love be revealed through the church, and impact the world for peace.
