PRAY FOR:

Missionaries

Liz & Benoit Basle – France: Benoit's dad has to leave his rehab facility and they are earnestly seeking a nursing home suited to his needs. While they continue to contact facilities for openings, he has decided to return to his apartment. The temperatures are around 100 degrees with no A/C...that is a concern in his condition. Liz asks prayer as they seek a solution.

Tom & Lorna Simcox – FOI – Lorna joined Tom when he ministered in Michigan in July. A young Jewish girl who read Lorna's book *The Search* and is attending a FOI Bible study in Michigan wanted to meet Lorna in person. They were able to do so and met for three hours in a coffee shop. They ask prayer for her salvation as they keep in touch. Tom is waiting for CT scan results later in August to determine if the cancer is still in remission. Lorna will be speaking about Passover at a Bible Study Fellowship meeting in August in the Lakewood area. They ask prayer for these opportunities to share the Gospel with Jewish friends and for their health needs as they continue an active ministry.

Steve & Beth Wick – Mission headquarters in Florida where they serve is asking prayer as the AC in their 6-story building has failed; a costly repair. Pray, too, for Steve as he continues PT for torn Cartledge in his hip socket; very painful; he continues his work as he is able.
