OUR VISION THE LIFE CENTER

THROUGH CAREFUL PLANNING WITH ARCHITECTS, EDUCATORS, AND CHURCH LEADERS, WE'VE DESIGNED THE LIFE CENTER TO BE BOTH PRACTICAL AND IMPACTFUL.

More than just a building, this will be a space where children, youth, and adults grow in faith, build lasting relationships, and enjoy life together.

This project will not only strengthen our church family but also serve as a blessing to our local community for years to come.

Without the Life Center, our ability to serve the next generation, and even grow as a community, will be limited.

This is a pivotal moment—we have the opportunity to create a place where people of all ages can thrive.

OUR CURRENT OBSTACLES: OVERCROWDED CLASSROOMS AND LIMITED SPACE

- Every Sunday, our classrooms operate at max capacity. Soon we will be forced to turn children away from Sunday School.
- Our students and young adults need a dedicated space to meet.
- Our lack of space limits the church's ability to host community events, educational classes, and programs that provide opportunities for fellowship and growth.

A THRIVING CHURCH CREATES OPPORTUNITIES FOR FELLOWSHIP, EDUCATION, AND SPIRITUAL GROWTH FOR EVERYONE, NO MATTER THEIR AGE OR STAGE OF LIFE.
