****God Moments:** A meaningful church-wide project that invites our congregation to come together through the power of storytelling—and we need you to help make it happen! Each of us has experienced moments where God's presence, guidance, or faithfulness was especially clear. These stories—whether quiet and personal or bold and life-changing—are worth sharing. Our goal is to gather enough submissions to create a special collection that reflects the depth and diversity of faith within our church family. Printed prompts are available, or you may submit your story digitally to the church office. Submissions should be 500–1,000 words. Let's come together, share our stories, and celebrate all the ways God is at work among us.
