

HOW DOES IT WORK?

1. Sign Up

Sign up for your desired service plan on our website. You will receive your service information in 1-3 days. We drop off a countertop bin for you to collect your compostable waste and begin your membership!

2. YOU FILL IT UP

Fill up your stylish Mission Compost bin with food scraps and other compostable waste.

3. WE PICK IT UP

Each week on your designated pickup day, set your full bin out on your front porch and we will swap it out with a clean, sanitized bin. Repeat each week!

4. YOU GET SOIL

Every Mission Compost subscriber gets nutrient-rich soil delivered twice a year. Minimum 6 months of service to be eligible.
