# About Luther Glen

***“[LRCC] provides sanctuaries in time and space where Christ can be encountered, faith renewed and the joy of community discovered. Our Lutheran outdoor ministry supplements congregational recreational outdoor ministry and camping for all ages and offers refreshing, faith-enriching retreat experiences by creating dynamic Christian community, rewarding educational opportunities and outdoor relaxation from the routine and hectic pace of life.”***

---

During our stay, MBCC will have access to the entire property (subject to change). We will have lodging options at both the retreat center, and the camp cabins (See below). Indoor meeting space and ample outdoor space will provide a perfect setting for exploring and growing our faith as a church community. The site features a paved labyrinth, fire pit, BBQ, fields, sport courts, and of course guided activities like visiting the farm, and archery with the friendly and super fun LRCC staff.

## Retreat Center

15 private and semi-private rooms, each with its own private bath. It can accommodate up to 40 guests and is wheelchair accessible. Bedding and towels are provided, please bring your own toiletries.

## Camp Cabins

The heated, semi-private cabins at Luther Glen Farm are perfect for families with bunk beds, bathroom and showers. Bring your sleeping bag and pillow!

***Please provide your lodging preference on the registration form. While we will do our best to accommodate every request, availability will be based on room configuration, group size and needs. We welcome all ages and stages!***
