

Introduction to War of the Worldviews

“Increasingly, we’re likely to be a counter-culture. As that happens, we will be the last great defenders of reason, of truth, of human dignity...So many different positions now, and we need to know them, what the consequences are likely to be, and how to argue with them persuasively...Today, almost nothing can be taken for granted. The foundations have to be put back into everything.” (Os Guinness, Christian apologist)

Islam

“The entire earth must be subject to Allah... to no ideology and to no path except for the path of Allah... America is the head of heresy in our modern world, and it leads an infidel democratic regime that is based upon separation of religions and state, and on ruling the people by the people via legislating laws that contradict the way of Allah and permit what Allah has prohibited.” (Osama bin Laden)

“With the guidance of Allah and His invisible help, we shall make the Islamic civilization proud on the world stage...This is our destiny...There will come a time when all the oppressive powers of the world will be destroyed and humanity will be enlightened in the era of Imam Mahdi.” (Supreme Leader of Iran, Ayatollah Ali Khamenei)

Secular Humanism

“Man is at last becoming aware that he alone is responsible for the realization of the world of his dreams...”

“...commitment to all humankind is the highest commitment of which we are capable; it transcends the narrow allegiances of church, state, party, class, or race...”

“Thus we look to the development of a system of world law and order based upon transnational federal government.” (Humanist Manifesto)

Kansas State professor Dr. Scott Todd said, “Even if all the data point to an intelligent designer, such a hypothesis is excluded from science because it is not naturalistic.”

Marxism & Cultural Marxism

“(Cultural Marxists) realize that what is at stake is a struggle between two incompatible and irreconcilable worldviews. That is why they are resolute and implacably hostile toward anyone more traditional or conservative than themselves.” (Jefrey Breshears, *A Brief History of Cultural Marxism and Political Correctness*)

Ecclesiastes 9:3

This is the evil in everything that happens under the sun: The same destiny overtakes all. The hearts of people, moreover, are full of evil and there is madness in their hearts while they live, and afterward they join the dead.

- Moral insanity—irrational rebellion against fearing God (9:3; see 1:17; 2:12; 7:25)

- *Universal condition of irrational behavior, moral perversity, and spiritual blindness (Ro 3:23; Is 44:12-20)*
