Financial Update - Sarah B. shared that due to the transition over to Triune, we do not have a full picture of what money is actually in our account. She did say she was sure there is enough to cover our budget for the year. She went over our budget for the upcoming year including new additions of breakfast events with moms and dads. Mrs. Schmidt shared the new reimbursement request process as it changed since transitioning to Trinune. This will be shared with PTL members via leadership as teams form to plan events.

Financial Requests -

4K Reading Challenge - Kirsten Willer is requesting approximately \$350 to purchase books to use as prizes for her 4K students who have 30 books read to them in a month. This request will go to vote via SurveyMonkey.

Microwave - at the end of last year Haley had requested a new, large microwave for the kitchen. Mrs. Schmidt thought this could be a good addition, but needs to check on wiring issues currently being addressed in the kitchen. This request is on hold.

Wrap Ups - highlights and opportunities:

2025 -2026 Calendar and Opportunities - The PTL Calendar and Interest Form were reviewed. The interest form and the kickball graphic will be printed and sent home with students

HOPE Award - The HOPE Award will return this year to continue recognizing student leaders in school. Things are a bit more streamlined and pre planned this year, but the objective and structure remain the same.

Staff Birthdays - Staff Birthdays will continue again this year. Amanda Sachs will be bringing Carmel Apples the last week of September.

Chapel Meet and Greet - We had our second first day of school coffee clutch before opening chapel. It was very well attended. We will continue this event each year.

Coming Up:

Kick and Connect - Jeannie shared that Emily Winter and her have everything planned. They are asking for RSVPs to the event so that they have enough food and drinks for the hot dog dinner and mocktails with mom. Emily has amazing plans for the mocktails. There is a 7th grader signed up, which is amazing! Multiple kickball games may be run if needed.

Parent Teacher Conferences - PTL will supply dinner the Thursday evening of both conferences in October and February. The teachers prefer more of a grab and go style meal as it allows them flexibility in their schedule.

Trunk of Treat - Trunk or Treat is on again this year. They just lost one of their food trucks so as of now, there are just donuts. They are working on getting another. There was talk about whether this was a community or PTL event. It was decided that this is the one event that PTL does outreach on and they would like to continue that.

Muffins and Mercy - This is a new event this year that will take place before school. It will include breakfast and devotions before school. The devotion will likely be led by our DCEs. Once kids are dismissed to class, there will be time for parents to chat and all are invited to chapel.

Family Bingo Night - Family Bingo night was a great success last year and we are doing it again this year. We're excited to offer more prizes and offer a night of community and fun!

Ambassador Update:

No ambassador updates at this time from the classroom.

School Update:

Mrs Rendel shared it has been a smooth start to the school year. Mrs Schmidt shared that as of yesterday blue line pick up is down to 11 minutes.

Meeting dates

The next PTL meeting will be November 4th at 315pm at Grace.
