Faithfulness is:

- Being obedient to God, even when we don't know the plan.
- Privately and publicly worshiping God.
- Repenting and recommitting ourselves to God's plan after we sin.
- Remembering that while faith without works is dead, our works must align with God's word, not the world's ways.
- Knowing that through Jesus Christ, God has faithfully provided everything we need to experience a personal, unending relationship with him.
