

DAVID

A MAN AFTER GOD'S OWN HEART

SERIES OVERVIEW

David was Israel's greatest king: a leader who rose from obscurity and persevered through adversity to take on God's enemies and establish the nation as a unified, powerful empire—all while leading the people in heartfelt worship of the Lord. At the same time, he made some foolish decisions that caused lasting scars in his life and family. As we walk through the life of David, let's allow his successes and failures to make us wiser...and let's open our hearts to the One David's life points to—the King whose reign will never end.
